**Emergency Preparedness (EP)**

**\*Emergency Preparedness Staffing:** The Emergency Preparedness team currently has an open position for an Emergency Preparedness planner, interviews will begin in October.

**\*Cities Readiness Initiative (CRI) Activity:** On September 17, 2021, CRI deliverable 2.1 was completed through the activation of FCPH staff and activation of FCPH Point of Dispensing (POD) at Westerville North High School. Emergency Preparedness team worked with 5 newly hired FCPH staff having not been activated at previous COVID-19 Response POD's. This gave the new staff the ability to complete an in-person training and still align with COVID protocols. 1 Westerville North High School Personnel and 2 Westerville Police Officers were also able to join the training to better understand how to setup and support FCPH efforts when opening a POD. All attendees had the ability to view the POD Kits (supplies necessary to open a POD) and have a walkthrough of the different stations needed to setup a POD. This was a great opportunity for new FCPH staff to ask questions and better understand the process of a POD.
