If Business Associate knows of a pattern of activity or practice of Covered Entity that constitutes a material breach or violation of Covered Entity's obligations under the Agreement or other arrangement, Business Associate must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, Business Associate must terminate the Agreement or other arrangement if feasible, or, if termination is not feasible, report the problem to the Secretary. Business Associate shall provide written notice to Covered Entity of any pattern of activity or practice of the Covered Entity that Business Associate believes constitutes a material breach or violation of the Covered Entity's obligations under the Agreement within five (5) days of discovery and shall meet with Covered Entity to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

Neither party has the right or authority to control or direct the activities of the other or the right or authority to bind the other to any agreement with a third party or to incur any obligation or liability on behalf of the other party, unless expressly authorized in this or another agreement between the parties.
