1ST NOTICE OF VIOLATION

January 6, 2023

RE: **641 Alton Rd**
Tax District #240 Parcel #002176

Dear Jeffrey A Denney:

Franklin County Public Health had inspected the home sewage treatment system located at the above-referenced address on **November 14, 2022**.

A follow-up investigation of the aeration treatment system was conducted on **January 6, 2023**, confirming continued use of an unapproved aerator motor. The Ohio Administrative Code 3701-29-13 (P) states, in part: "Devices critical to the performance of pretreatment components shall be maintained as manufacturer's original equipment matching the system configuration approved by the director."

After-market aeration motors sold online claiming to be "Alternative Compatible Replacement" or "Alternative Compatible Motor" do not meet the highlighted regulation above. Equipment must only be replaced with original APPROVED type. Please replace with Norweco aerator motor.

You will be given until **February 13, 2023**, to replace your after-market aerator motor with the approved Norweco motor to prevent referral to the Franklin County Board of Health for further legal action.

Please feel free to contact this office if you have any questions. Your anticipated cooperation in this matter will be highly appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "Rich Stewart".
