

RESOLUTION 23-168

October 10th, 2023

RESOLUTION TO AUTHORIZE THE MEDICAL DIRECTOR TO ISSUE A STANDING ORDER TO APPROVE AN INTERIM CLINICAL GUIDANCE PROTOCOL ALLOWING FOR THE UTILIZATION OF CDC'S INTERIM CLINICAL CONSIDERATIONS OR GUIDELINES IN THE ABSENCE OF STANDING ORDERS FOR VACCINE ADMINISTRATION

WHEREAS, the Advisory Committee of Immunization Practices provides immunization updates which include immunization recommendations for new and existing vaccines and vaccine practices;

WHEREAS, the Centers for Disease Control and Prevention (CDC) posts updated recommendations as Interim Clinical Considerations or Guidelines;

WHEREAS, the issuance of Interim Clinical Considerations or Guidelines oftentimes renders CDC's current vaccination standing orders obsolete;

WHEREAS, CDC is sometimes delayed in updating their standing orders based on the Interim Clinical Considerations or Guidelines;

WHEREAS, to ensure continuity of vaccination services, Franklin County Public Health's (FCPH) Medical Director would review and sign these Interim Clinical Considerations or Guidelines; and

WHEREAS, allowing immunizations to continue to be administered without interruption due to the delay in release of CDC standing orders.

Resolution 23-168

Now, therefore, upon motion of Board Member _____, seconded by Board Member _____;

BE IT RESOLVED BY THE FRANKLIN COUNTY BOARD OF HEALTH, BOARD MEMBERS;

1. That the Board of Health authorizes the Medical Director to issue a standing order to approve an interim clinical guidance protocol allowing for the utilization of CDC's interim clinical considerations or guidance in the absence of standing orders for vaccine administration.
2. That this resolution shall be in full force and effect from and immediately upon its adoption.
