Jackson Township
Tax District #160, Parcel #000627

Dear Mariana Orozco and Francisco Becerra:

The tax and property records on file with the Franklin County Auditor's and/or Recorder's Office identify you as the owner of said property. It was brought to the attention of this office that a sanitary sewerage system is available and accessible to the above-referenced property.

Pursuant to Regulation #106 adopted by the Board of Health of the Franklin County General Health District and Ohio Administrative Code Section 3701-29-06 (I) which states: "A sewage treatment system (STS) shall not be sited, permitted, or installed where a sanitary sewerage system is accessible, unless otherwise accepted by law. Whenever a sanitary sewerage system becomes accessible to a dwelling or structure served by an STS, the dwelling and/or structures shall be connected to the sanitary sewerage system and the STS abandoned in accordance with rule 3701-29-21 of the Ohio Administrative Code." On February 13, 2024, the Board of Health adopted Resolution 24-015, attached hereto and incorporated herein, ORDERING you to:

1. Obtain required septic system permit from Franklin County Public Health; and
2. Install new Household Sewage Treatment System in accordance with all provisions of Ohio Administrative Code Section 3701-29 "Sewage Treatment System Rules".

This Order applies to you, your heirs, successors and assigns (including any subsequent owner of the property). You shall comply with this Order by March 14, 2024. A re-inspection will be performed to verify compliance on or thereafter. IF THESE VIOLATIONS ARE NOT CORRECTED, and this Order of the Board is neglected or disregarded, the Board

has authorized me to issue a citation pursuant to Ohio Revised Code section 3707.02 and afford you an opportunity to appear before the Board and show cause why the Board should not abate the nuisance conditions (assessing the costs of any abatement as liens against the property). In addition, IF THESE VIOLATIONS ARE NOT CORRECTED, the Board has authorized me to refer this matter to the Franklin County Prosecuting Attorney which may result in the filing of criminal charges or a request for injunctive relief in a civil lawsuit being filed in the Franklin County Municipal Court, Environmental Division. This Order may be appealed to the Board of Health by any person claiming to be aggrieved or adversely affected by requesting a hearing within seven (7) days of receipt of the Order. The request for a hearing shall be delivered to the Board of Health in writing and addressed to the attention of the Health Commissioner.

Sincerely,

Joe Mazzola, MPA
