RE: FAILURE TO COMPLY WITH REGISTRATION OF INSTALLERS, SERVICE PROVIDERS AND HAULERS

To Susanne R. Strawser:

Franklin County Public Health has received information that Everclean Aeration Services is selling contracts to provide services of a Registered Service Provider and has provided repair and maintenance services in Franklin County without registration with Franklin County Public Health.

According to OAC 3701-29-01 OOOO "Service Provider" means any person who services, monitors, evaluates or samples, but does not install or alter, sewage treatment systems or gray water recycling systems.

OAC 3701-29-01 NNNN "Service and Maintenance" means all routine or periodic action taken to assure that an existing sewage treatment system operates as it was intended including the in-place correction, cleaning or replacement of damaged or worn out devices with approved devices. Service and maintenance shall include the replacement of mechanical devices such as agitators, compressors, and pumps; replacement of broken device lids, risers, and baffles; the installation or cleaning of an outlet filter; the pumping of a sewage treatment system component by a registered septage hauler, and all other actions not defined as an alteration or replacement, as determined by the board of health.

Everclean Aeration Services has failed to comply with the registrations requirements of Ohio Administrative Code 3701-29-03 (Sewage Treatment System Rules) and Ohio Revised Code 3718.

On March 12, 2024, the Board of Health adopted Resolution 24-041, attached hereto and incorporated herein, ORDERING you to:

In addition, IF THESE VIOLATIONS ARE NOT CORRECTED, the Board has authorized me to refer this matter to the Franklin County Prosecuting Attorney which may result in the filing of criminal charges or a request for injunctive relief in a civil lawsuit being filed in the Franklin County Municipal Court, Environmental Division. This Order may be appealed to the Board of Health by any person claiming to be aggrieved or adversely affected by requesting a hearing within seven (7) days of receipt of the Order.
